

The Cuban Revolution 1958 - 1959

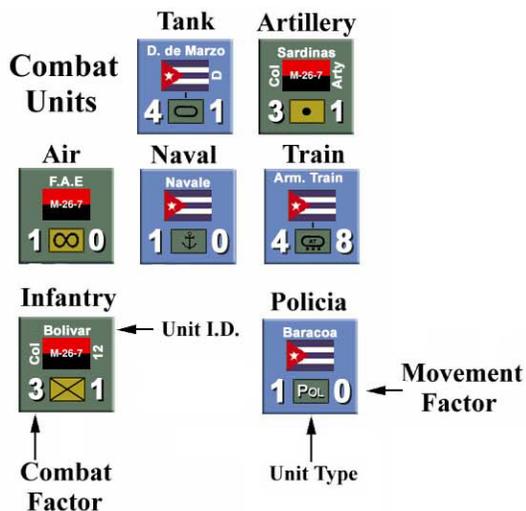

Errata 3-17-07:

The entry date for the BRAC unit is June, 1958.

Clarifications:

- 1. Camaguey province is not a playable area in the game. It is included only as a reference.**
- 2. There are 2 extra Guerilla units and 1 extra Bastiano unit in the counter mix. These counters have no unit designation and are included as replacements if any counters are lost.**
- 3. Some players asked for a color version of these two rules sections.**
